Every 10 years, Texas requires that Marks and Brands be re-registered per Section 144 of the Texas Agriculture Code. The current registration period runs from August 31, 2021 – August 30, 2031. Brands must be recorded with the County Clerk of the county in which the animals are located.

Brands registered within the 10-year period will still need to be renewed on or after August 31, 2021.

**\*The renewal period for this will be August 31, 2031- February 29, 2032.**

Brands not renewed by February 29, 2032 can be registered by a different owner.

We do not send out any notices for renewal. Please see your local news, newspapers, radio, or check out the Texas and Southwestern Cattle Raisers Association website below for more information.
