I will also state in my motion, for the record, that this rate that we are adopting the .5679 which is lower than last year’s rate of .5993 brings to fruition the prediction that our Tax Assessor makes where she says that when values go up, rates go down. The public hearing dates, in my motion, will be for August 21st as a special called meeting at 9 a.m. here in the Commissioners’ Court room and the second meeting with be August 26th at 10 a.m. and will not be a special called meeting.
