causes. The county does not and cannot guarantee your property will not flood. Exempting you from the floodplain management regulations does not create any liability on the part of Lavaca County, or any officer or employee of that entity, in the event that flooding and/or flood damage occurs. (44CFR 60.3)(1) requires permits for all proposed construction or other development in the county, including the placement of Mobile/Manufactured Homes within flood-prone areas (Special Flood Hazard Areas). The purpose of this Determination Application is to determine if the proposed development will be developed in or out of the SFHA. If the determination shows the proposed development to be located inside the SFHA then further permitting is mandatory. Also, if necessary and by signing below, I/We hereby grant permission to the Lavaca County Floodplain Administrator to enter upon the above described property in order to make a proper and accurate determination of flood zone status.
